

CURRANFENCING

The Florence Fence Panel is a popular choice for those wanting to strike a balance between contemporary and traditional. With its contemporary vertical slats and the wavy diamond trellis topping it off, these panels suit a vast array of garden styles. The Florence Fence Panels are an ideal boundary for adjoining properties, as the panels look just as good looking from both sides.

Height	900mm	1200mm	1500mm	1800mm
