

CURRANFENCING

Height	900mm	1200mm	1500mm	1800mm
Flat Top	£38.40	£42.00	£43.20	£44.40

The Verona Fence Panel is another decorative style of fencing, but with a modern twist. It has the sleek salt [formation](#) of the Milano range, but has the added bonus of a gentle wave to the top of it. The Verona panels are an ideal boundary for neighbouring properties, as the panels are just as good looking from both sides.

All prices include 20% Vat

Panel specifications:
